Re: Town of Carver - AD Makepeace Company's Earth Removal Activity

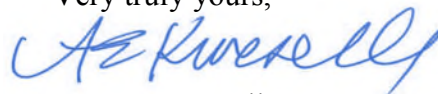

Dear Ms. Sheehan:

This firm represents the Town of Carver (the "Town"). We are in receipt of your letter dated May 13, 2021 addressed to the Building Department and the Earth Removal Committee requesting a cease and desist order be issued to AD Makepeace Company ("ADM") suspending all earth removal activity in the Town of Carver and further enforcement of the Earth Removal Bylaw. At this time, the Town is declining enforcement.

First, as Chapter 9.1, Earth Removal, is a General Bylaw and not a Zoning Bylaw, G.L. c. 40A, §7 as cited in your letter is not applicable. Second, as you know, the Earth Removal Committee has diligently investigated your allegations; has convened two meetings with you and conducted a site visit. In fact, at the site visit conducted on May 1, 2021, no violations of Section 9.1 of the General Bylaws was observed nor were there any observed violations of ADM's Earth Removal permit.

Should you need anything further, please do not hesitate to contact me.

Very truly yours,

Amy E. Kwesell
